28

1 JN

2 Yes, that's correct. Defendant also agrees to explore further the issue of getting him a
3 chrono for a double mattress with no guarantees that that will be issued but we will explore
4 it, and fifth his oh his dose he will be given Tramadone.

17 settlement conference.

18

19 JN

20 Okay. I believe those were all the items. If I may, I just have a few more things I would like
21 to read into the record. Mr. Haverlah, you are agreeing today to a dismissal with prejudice
22 of this suit, and do you understand what that means?

23

24 GH

25 Go ahead and explain.

United States District Court

For the Northern District of California

1 JN

2 With prejudice means that this case will be dismissed and you wouldn't be able to, you
3 wouldn't be re-filing another complaint on the specific issues that you brought in this
4 complaint. However, Mr. Judge Vadas has agreed to keep the case on his books for six
5 months in case the issue arose .

6

7 GH

8 Okay that is fine.

9

10 JN

11 Following the agreement okay.

12

13 GH

14 Right that sounds fair.

15

16 JN

17 Defendant, Dr. Winslow and the California Department of Corrections and Rehabilitation
18 deny any and all liability in this case. This agreement does not constitute an admission of
19 liability or any wrongdoing on behalf of any party.

20

21 GH

22 That's fine

23

24 JN

25 Each party shall bear his own attorneys fees and costs if there are any in this case, and lets
26 see here. I think that might be all for now.

1 I think you're probably right.

2

3 NJV

4 Anything further at this time?

5

6 JN

7 I just would ask that Plaintiff expressly waive and include the risk of any and all claims for
8 damages which exist as of this date for which he does not know or expect to exist whether
9 through ignorance, oversight, error, negligence or otherwise and which is known would
10 materially affect his position to enter into this settlement agreement.

11

12 GH

13 I agree

14

15 JN

16 Okay. Nothing further.

17

18 NJV
